

BEST HOME BUILDER

The repeat winner of the **Gold** is **Provence Homes by John Lober**. Lober and his staff have earned a reputation for meshing the formal and informal with intricately blended details. Better yet, they bring a can-do spirit to the French-influenced homes they build and have invested their brand with an air of workmanship and beauty. The **Silver** goes to the **Acuff Rhodes Group**. A local builder for more than 40 years, Acuff Rhodes is now embarked on the dazzling and ambitious Shoal Creek Valley project. The perennially strong **J.S. Robinson Fine Homes** ties with **Aristocrat Homes** for the **Bronze**.
